„Chasing the Light“

Das Spiel mit Licht ist für Sebastian Donath elementar. In seinen Bildern fängt er das Licht bewusst in jedem Moment ein. Seine Bilder gehen über das Sichtbare hinaus – sie erzählen Geschichten, wecken Erinnerungen und rufen Emotionen hervor.

Seine Experimentierfreude und kindliche Neugier spiegeln sich in seinen Bildern wider, die das Außergewöhnliche im Einfachen finden. Mit technischem Know-how, einem scharfen Blick fürs Detail und einem klaren Gespür für Marken und Menschen setzt er sie optimal in Szene.

Im Fokus seiner Arbeit und vor seiner Linse: Menschen, Objekte und Räume in all ihrer Vielfalt – minimalistisch und kontrastreich, aber stets mit einer spielerischen Note.

Ob Studio, Outdoor, Produkt-, Porträt- oder Lifestyle-Fotografie: Er passt Technik und Setting flexibel den Anforderungen jedes Projekts an. Sebastian Donath beherrscht das Spiel mit Licht in Perfektion und arbeitet präzise mit Tageslicht, Kunstlicht oder Blitztechnik.

Seine ruhige, professionelle Art schafft eine Arbeitsatmosphäre, die Stress für alle Beteiligten minimiert und beste Ergebnisse garantiert. Mit Empathie und Feingefühl sorgt er dafür, dass sich jede Person vor seiner Kamera wohlfühlt. Unterstützt wird er von einem erfahrenen Netzwerk aus Stylisten, Setdesignern und Assistenten.

Mit einem beruflichen Hintergrund als Tischler und Produktdesigner verbindet Sebastian kreatives Gespür mit handwerklicher Präzision. Er hat jahrelange Erfahrung mit internationalen Kunden und großen Teams.
